

# SILVER STARS

● This is a 3 reel video game. Wins are awarded for sets of 3 matching fruits on each of the 5 pay-lines as detailed in the win plan on the upper screen. In addition there are three extra win types:

- ANY 3 x BAR symbols ( 1 , 2 or 3 BARS) constituting a win,
- ANY 3 x 7 symbols ( Red White or Blue ) constituting a win.
- and a SCATTER win which is awarded on having 3 x SILVER STAR symbols appear anywhere in the window.

The amount awarded is again detailed in the win plan on the upper screen. A player may choose various stakes to play the game and his awards, as shown on the top winplan, reflect the level of stake chosen.

All wins may be gambled on the **RED/BLACK GAMBLE**.
